

# Easter Chick

## Easter Chicks:

### Materials Needed:

- 1 Sheet each 9 x 12 white, yellow and purple construction paper
- Orange and black construction paper scraps
- Glue
- Scissors
- 1 yellow feather
- 1 yellow pipe cleaner
- Dot art paints – or you can use tempera paints and your child can put fingerprints dots on egg shell
- Optional 1 ½ “ and ¾ “ hole punch or use the included pattern

### Directions:

1. Download and trace the pattern on construction paper. (we suggest you print the pattern on cardstock)
2. Have your child cut the chick body, egg shell, and Chick wings.
3. Fold the pipe cleaner in half. Fold up about 1 inch on the end for “feet”. Tape on the back at the bottom of the chick body.
4. Glue the body and wings onto the purple paper.
5. Glue the feather at the top of the head.
6. Glue the egg shell on the body, and add the eyes and beak.
7. Decorate egg shell with dot art colors of choice!
